## WARNING OF COPYRIGHT RESTRICTIONS

**Warning concerning copyright restriction:** The copyright law of the U. S. (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to a photocopy or reproduction. One of the specified conditions is that the photocopy or reproduction is not to be “used for any purpose other than private study, scholarship or research.” If a user make a request for, or later uses, a photocopy or reproduction for purposes in excess of “fair use,” that user may be liable for copyright infringement. **This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of copyright law.**

Duplication of items from The Mahoning Valley Historical Society's collections is governed by the policy stated above. Further reproduction of items from the Society's collections is possible only after the completion of a **PUBLICITY ACKNOWLEDGEMENT** and **STATEMENT OF USE Form**. The completion of said form(s) does not imply clearance of any copyright restrictions other than those vested in the Mahoning Valley Historical Society. It is the responsibility of the party using photographs and other duplicates from the collections of The Mahoning Valley Historical Society to ascertain and clear copyright restrictions provided from the Society's collection.

The rights of privacy and publicity are separate and distinct issues from copyright. It is the responsibility of the patron to secure the consent of subjects who appear in the photograph(s) in order to comply with any/all applicable state privacy and publicity laws.
